Title: BATLIN'S NOTE

Author:

Journey to the mint;
ambush the hero there.
Succeed in thy mission
and thou shalt be richly
rewarded. There is but
one penalty for failure --
death! Remember, the
Avatar often travels with
accursed companions, and
they may be present.
Ignore the companions --
direct thine energies to
one goal: the destruction
of the Avatar! Destroy
this note. No evidence
should be left behind
thee. -- Batlin
